

TRANSPORTING CHILDREN TO BETTER HEALTH

2022 ANNUAL REPORT

MISSION

To transport children and expectant mothers, with limited or no transportation, to medical care.

VISION

For every child in Alabama to live a long and healthy life.

PURPOSE

To bridge the transportation gap that prevents thousands of Alabama's children and expectant mothers from accessing much needed health care services, thereby ensuring a higher quality of life for each individual and family that we serve.

Dear Friends,

Over the past 25 years, Kid One Transport has completed over 442,000 transports to essential medical care for Alabama's vulnerable children and expectant mothers. This has only been possible because of your support. In 1997, Mr. Russell Jackson realized that reliable transportation is a barrier that prevents many Alabamians from accessing needed preventative care (such as dental, vision, mental health, and prenatal services) and lifesaving treatments (such as dialysis and chemotherapy services). When Russell saw the need for medical transportation for Alabama's underserved children and expectant mothers, he turned to people like you to join and help support Kid One Transport.

What began as the vision of one man has grown to impact over 49,934 children and expectant mothers across Alabama. Our founder realized that "four wheels and an engine" is the missing piece to ensure that transportation is not a barrier to accessing quality healthcare in Alabama. Since that day, Kid One Transport has worked tirelessly to fulfill this mission.

In 2022, Kid One Transport completed 15,355 transports to critical medical care, as more providers shifted back to in-office medical visits. This was a 24% increase over Kid One's 2021 volume. All of these transports were made possible by support from YOU. Community support makes Kid One Transport possible. Please join us in 2023 by volunteering at an event, making a financial contribution, or simply connecting with us on social media! We want to hear from YOU as we mark the progress made in breaking down barriers to quality healthcare for Alabama's underserved children and expectant mothers.

Sincerely,

Anna L. Hart

2023 BOARD OF DIRECTORS & STAFF

OFFICERS

Chair, Anna Hart, Hart Law LLC

Vice Chair, Andrew Rains, Hoar Program Management

Secretary, Brad Cain, NaphCare, Inc.

Treasurer, Ashley Tabb, 1919 Investment Counsel
